Join us for an amazing evening of inspiration and information, not to mention great food, fellowship and music.

"First I want to Praise God for the blessings He has shown us in Honduras. Then I want to Praise God for SUTL. I have watched God do wonderful things in Honduras through your Step Up To Life booklets. I have seen people come to the Lord after they left us with the booklets in their hands, only to read the pamphlet later alone and then they surrender to the Lord.

I want to encourage you all that God has truly given you insight to what He wants all in the world to see and hear. Thank you for your obedience to Gods calling."
