# BANQUET 2015

We are so excited to bring back the Step Up to Life banquet in 2015 and we hope that you will make plans to attend. There is no cost for this event. **It's FREE! Nothing! Nada!**

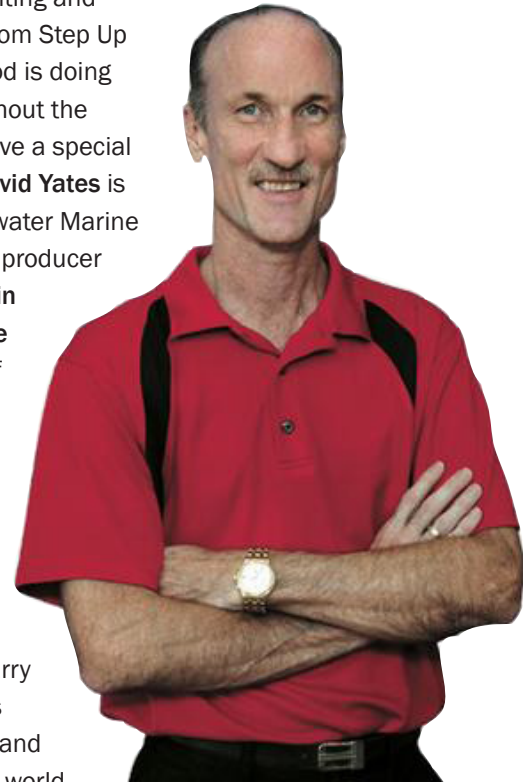

**Friday evening, September 18** is the date you're going to want to save. This year's theme is **"No Frills, Lots of Thrills"**. We've moved our dinner to Legacy Hall, 6901 Irvington Rd in Omaha. This year we will offer a buffet instead of a plated meal. Be assured that the food will be wonderful! **The doors will open at 5:30 p.m. The buffet will open at 6:00 p.m. and will continue until 7:15 p.m.** This year's event will be open seating so you don't have to sit at a certain table. Come early and get the best table.

During this year's dinner, **Ase' L'Bert** will be roaming the crowd singing some of the oldies but goodies by artist like Frank Sinatra and Harry Connick Jr. Ase' is from Ohio but makes his home in Omaha. He has a smooth and silky voice that you will enjoy.

Along with all the exciting and wonderful updates from Step Up to Life about what God is doing through SUTL throughout the world, we will also have a special speaker this year. **David Yates** is the CEO of the Clearwater Marine Aquarium (CMA) and producer of the movies, **Dolphin Tale** and **Dolphin Tale 2** which depict two of the amazing events that have taken place at CMA. Your homework before the banquet: Watch at least one of these movies.

David is played by Harry Connick Jr. David has a heart for the world and is actively involved in world missions.

If you plan on attending this year's event and if you have not already done so, please **RSVP** as soon as possible to [Jen.Murdoch@yahoo.com](mailto:Jen.Murdoch@yahoo.com) or text (including your name in the text) to Jen Murdoch at 402-541-8011 or on the Facebook page "Step Up to Life Banquet."

# MINISTRY UPDATES

*He said to them, “Go into all the world and preach the gospel to all creation.” – Mark 16:15*

## CHINA

From China, news of a team of Americans who reformatted Step Up To Life to one page, ran copies and with three friends and gave out thousands each month. Local Christian churches were flooded with phone calls 24 hours a day and copies of Step Up To Life multiplied – people were making their own copies, some of them hand-written! After sixteen months, the team had distributed 60,000 Step Up To Life pages in this communist country, and partner churches saw significant increases in interest and attendance – including more than 1,500 people who accepted Christ and were baptized because of the SUTL message.

## HONDURAS

From Honduras, photos arrived of an entire professional soccer team, sitting around a hotel breakfast table, reading the Spanish soccer version of Step Up To Life. They had each just been given a booklet by one of our US champions who just happened to be staying in the same hotel. They saw the players and immediately gave the soccer version to them all!

## UGANDA

From Uganda, a report from a Step Up To Life champion and facilitator: “The results of how the booklets are changing lives are extraordinary. God is using these booklets to bring many souls to the kingdom of God. And from what I have seen with my eyes, the need for these booklets is great. My goal and vision is that at least one million people are reached with the SUTL booklets by year 2017 and be able to reach all the 112 Districts of Uganda.”
