

WHERE ARE YOU IN THE RIDE OF LIFE?

UNCONCERNED - You may have heard a lot about Jesus or very little. The point is you have no personal interest in Him at this time.

CONCERNED - Your engine is smoking and you know you'd better check it out, now! You have experienced a divorce, had your bike go down or lost a friend. Even your job looks shaky. God is trying to get your attention. How much more smoke will it take?

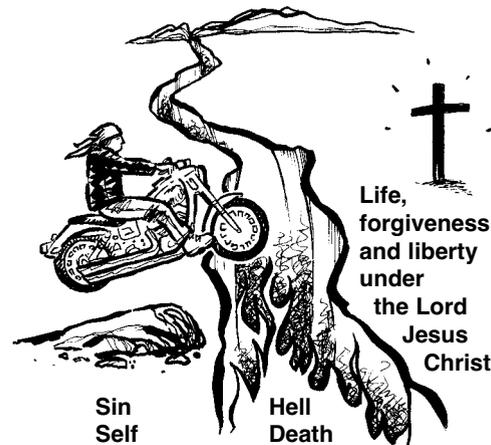

OH-NO!

NO:
Lying
Stealing
Cheating
Swearing
Sex outside marriage

CONVICTED - You are really bothered, and your lifestyle is getting empty. God's tack strip has really slowed you down. Hey, let's face it, your sins have to be dealt with now or in the Judgment. You cannot ride away from them. Freedom comes with knowing Christ has already paid the price of your sins in his death and resurrection.

REPENTANCE - Make your turn today and head toward Jesus. You are changing your colors. You are getting a new patch. You are on your way to a new "Road King" - Jesus Christ. He will do the driving, and you will do the riding. Jesus said, "unless you repent you will all perish." *Luke 13:3*. It's your choice. Get saved or get lost.

SAVING FAITH - This is a leap to life - Eternal Life. The Bible calls it believing ... committing yourself totally to Him. He is waiting to welcome all who repent and believe - TODAY. "Therefore, having been justified by faith, we have peace with God through our Lord Jesus Christ." *Romans 5:1*
