Where
are
YOU
IN THE
GAME OF
LIFE?
START

Life on EARTH is Like a Game...It Has a **START and a **Finish**.
LOOK Below and *Find* Where **You** Are in the **“GAME OF LIFE”!****

1. Unconcerned - We all start here. You may know a lot about Jesus or very little. You may even respect Him. The real point is, you don't really care about a personal relationship with Him.

2. Concerned - You're sensing emptiness, dissatisfaction or even fear. You know there's more to life than what you're experiencing. What is life all about? Why am I here? What you need is spiritual answers.

3. Convicted - You are uncomfortable because your lifestyle is causing guilt or emptiness.

Selfish, "please me" choices are sinful and break not only God's Ten Commandments, but eventually yourself. God's passing grade on goodness is keeping the Ten Commandments perfectly in thought, word and deed. You have failed and you're bothered.

4. Repentant - You agree you have lived a life based on your choices with Christ left out. You now turn from your way to His way, from your management to His management. Jesus said "unless you repent you will all perish." Luke 13:3

5. Committed to the Lord Jesus Christ - You give Jesus Christ your life and the right to run it. He gives you His life and meaning for living. You receive Jesus Christ and take His death as payment for your sins. God receives you as His own child and puts His Son's life within you (Galatians 4:4-6). He also forgives you and prepares a place for you in heaven. "Believe in the Lord Jesus Christ and you shall be saved." Acts 16:31

- Where Are You?**
- I am uncommitted.
 - I am thinking about making a commitment.
 - I am committing myself now to Jesus Christ and will seek to obey him daily.
